

Getting started with SureSmile Clear Aligners is easy!

SureSmile works with your dentist or orthodontist to create a personalised treatment plan.

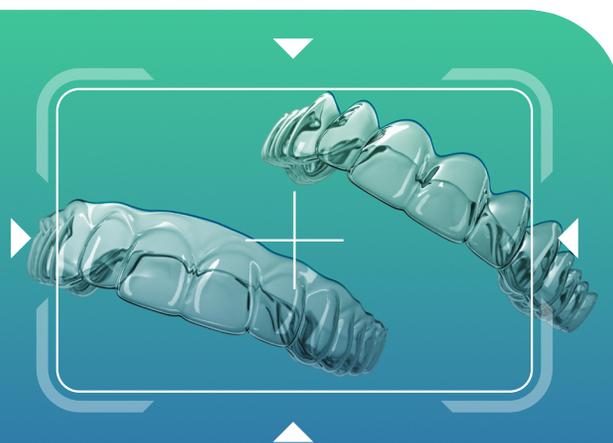

Photos and a scan of your mouth are taken at your initial appointment.

Next, your dentist or orthodontist and the SureSmile Digital Lab work together to provide a comprehensive and customised treatment programme.

Finally, you will receive your customised SureSmile Aligners and Patient Kit. Your journey to a better smile has officially begun!

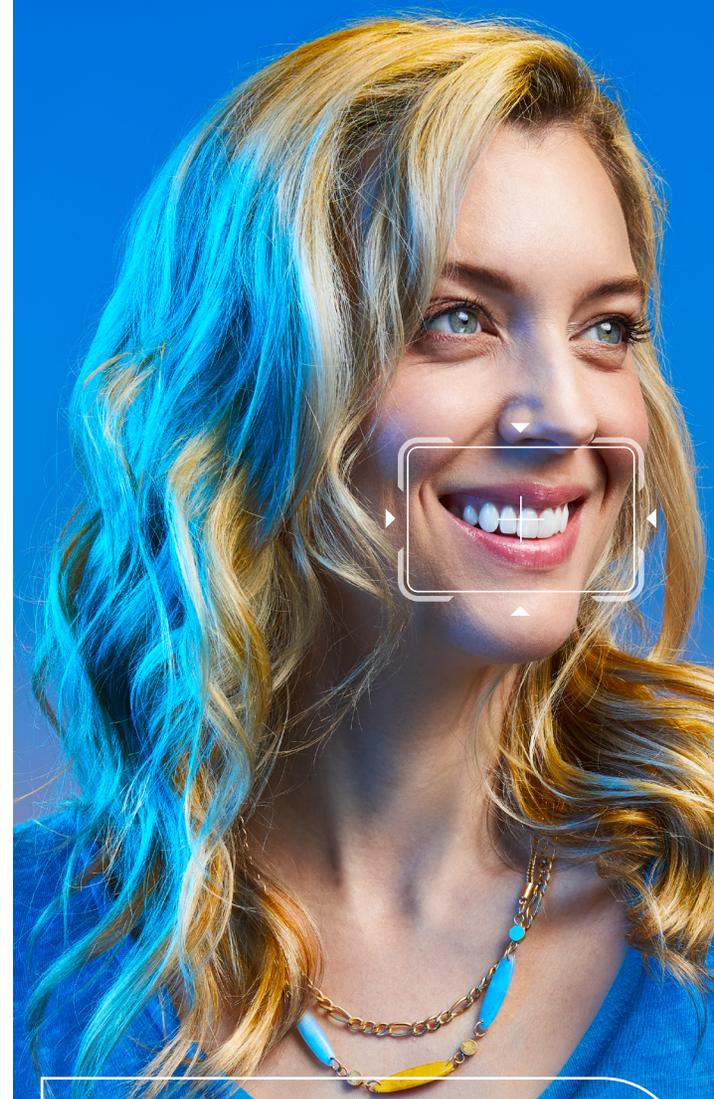

Your clear and comfortable solution for a better smile starts with a conversation—talk to us today about SureSmile Clear Aligners.
